Phone: 70006449100

BIOSKETCH: Abishek Gupta is currently a Research Scholar in the area of Economics at the Birla Institute of Management Technology (BIMTECH). He holds an M.Sc. in Economics from Shri Mata Vaishno Devi University. His broad research interests lie in the field of International Economics, with a specific focus on currency internationalisation, geopolitics, exchange rates, stock markets, and foreign direct investment (FDI).

He possesses strong technical skills in Econometrics and is proficient in statistical and programming tools such as Stata, E-Views, Python, and R. He has also attended an Advanced Econometrics Workshop using Stata at IIT Indore, where the sessions were conducted by Dr. Kausik Chaudhuri from the University of Leeds.

Abishek has published an article in The Hindu Business Line titled “Focus on Investment, Demand Drivers.” He also gained professional experience during his internship at Motilal Oswal Financial Services, where he developed a Python-based code to analyse historical data for various derivative strategies, enabling the calculation of potential profit, loss, and graphical visualisation of option strategies.

Beyond academics, Abishek has a keen interest in sports. He has practiced Judo and represented his university in the All India Inter-University Kickboxing Championship held in 2022 at Dr. Ram Manohar Lohia Avadh University, Ayodhya, Uttar Pradesh.
